Did you know?

The Crooked Spire, officially known as the Church of Saint Mary and All Saints, is a famous landmark in Chesterfield, renowned for its twisted spire. The distinctive twist has sparked various myths and legends, with popular beliefs attributing to the devil's influence, or the lack of skilled labour during its construction in the 14th century following the Black Death. However, historians suggest that the unique twist resulted from the combination of green timber and lead. Regardless of its origins, the Crooked Spire continues to captivate visitors with its intriguing appearance and mystery!

What is Shared Ownership?

Stepping into a new home that belongs to you is one of the best feelings in the world and with Shared Ownership, you might be able to have that feeling sooner than you think.

Shared Ownership is a way to buy a share in a home now with the option to buy more of it in the future. You pay a rent on the share of the home that you don't own.

Shared Ownership is a popular scheme for people who can't afford to buy a home on the open market. This is a common position to be in and our Shared Ownership customers are of varying ages and from all walks of life, with many being first time buyers in their early twenties and thirties, while some are looking to step back onto the property market in their forties through to seventies.

Initially, you can purchase the share of a home that you can afford, usually between 25-75% and then you'll pay

rent on the other share. On some newer Shared Ownership homes, lower shares may be available, subject to eligibility checks and further approval.

You'll need a minimum level of income and savings, the amount will be determined by the value of the home you want to buy, your personal circumstances, and your lender's requirements, but depending on which lender you use, the deposit can be as little as 5% of the share value. If you want to see what you could afford, why not head to our website at www.plumlife.co.uk and try out our affordability calculator? On our website you'll also be able to see a full list of Shared Ownership FAQs.

Who is eligible?

Certain key eligibility criteria apply to Shared Ownership, these include:

- Not owning any other property
- Being in permanent employment
- Having a household income of less than £80,000 per year
- In some cases, having work and/or family connections to the area in which you want to buy. Please check the requirements for the specific site you are interested in for more details.

“We wanted our daughters to have their own bedrooms, an outdoor place to play and to be local to shops and activities for them. It feels great to be able to invest in our own equity and to have something to call our own.
